Just what your garage needs
Reviewed in the United States on August 27, 2022
Size: 1 Pack | Pattern: Black
Lots of jacks and lifts around my place and nothing beats a good hydraulic jack when it comes to ease of use and versatility. I'm a big fan of the Sunex line of tools and this jack is no exception. It's low profile, it's strong and it's well made. Highly recommended if you're looking for a good hydraulic jack for your garage or shop.
